

Convergys Test Pattern

Convergys Test at Chennai : Oct 2005

Hi all,

This is about Convergys pattern what i had.. I dont remember the exact questions..
I wrote test at Chennai.

It had 4 sections..

1. Aptitude 15ques
2. UNIX 20ques
3. RDBMS 20ques
4. C 40ques

All were basic questions only..

The aptitude comprised of questions on cube paintings (Infosys pattern),
Venn diagram problems etc..

Then i had interview on Oct.. 1st round was HR. They queried about
Family background, hobbies, academics etc
next round was tech interview. I had questions on C, C , and Java
They will ask questions on UNIX, DBMS if u r well versed in tat..
Good luck and all d best..
