

CONVERGYS PAPER PATTERN ON 6th AUGUST 2006 AT HYDERABAD

Hi, I am radha.

i have attened the convergys on 06 aug at hyd.

The process includes

1. Written test

It includes 5 sections

- i) General English --20 Q -----22 min----20 marks
- ii) Aptitude & logical reasoning----45Q-----48min-----45marks
- iii) UNIX----10Q----10min---10marks
- iv) RDMS----10Q----10min----10marks
- v) CPP----15Q----15min---15marks.

2. HR & tech

Written test was not so much easy. they have asked more Questions on venn diagrams, cube painting, * \$ problems, inequality

expressions (
like if $x > y$?

i) $x > z$;

ii) $z/x = x+y$;

a) both are required to ans the question,

b) only 1

c) only 2

d) neither 1 nor 2)

UNIX is also different.

RDMS is also like UNIX.

where as CPP they asked more questions on programs related to pointer in class. this is also not that much easy. Because they want filter the people. there were around 600 people out that only 52 are short listed.

so my advise is that ,do alot of hard work, so u get through it.
