

SATYAM PAPER ON 27th APRIL AT KANNUR

SATYAM PAPER ON 27th APRIL AT KANNUR

I am Mohammed Aslam, 6th semester ece student. I got selected in SATYAM COMPUTERS on 27th april 2007. Let me share my experience of SATYAM recruitment with u people.

Students appeared:- 400 approx.

Aptitude cleared:- 108 approx.

G.D cleared:- 70 approx.

Finally selected:- 30 approx.

Eligibility:-

1. 10th 58%

2. 12th 58%

3. b.tech 58% (2 back logs allowed)

There were three rounds:-

1. general aptitude (15 question/30 minutes)

2. group discussion

3. interview(tech cum HR)

APTITUDE test had negative marking of .25 for wrong answers. correct answers 1 mark

Q8. profit & loss problem

Q9. question on figures like ..find the next figure??

Q10. question n series of numbers....

Q11 & Q12... General english type

(Remaining iam not able to recollect)

Group discussion was on next day. before GD company persons gave a ppt about the company.

Next a group of 10 students were made and sent for GD.

GD topics were:-

1. kerala gods own country

2. is kerala industrially backward

3. mullaperyar dam

4. hostellites or day scholars

etc.....all GD topics were related to kerala.

Candidates who cleared the G.D was given a form to fill. this is very important as question from this can come for the interview

interview:-

me:- may i cum in sir

sir:- yes please be seated

sir:- why did u opt ece in b.tech.

me:- bla....bla...bla....

sir:- draw circuit diagram of this that etc.....

me:- drawn confidently (was not sure if it was correct)

sir:- would you like to ask any question to me.

me:- asked two questions

few of my friends were asked to write 8086 programs..

finally we were asked to get collected at seminar hall and name of selected candidates were announced. i was very much thrilled to hear my name in that list.. dear friends never loose hope....work hard....luck factor also plays a major role...

all the best

hope this info wud be useful to all students aspiring to be a 'satyamite' all the best once again for a bright future.....
