

WIPRO - VLSI PAPER - 24 JULY - RVCE

WIPRO VLSI is one of best vlsi labs in bangalore . RECENTLY OPENED WI-FI LAB ALSO. so they visit our college (rvce) ,pesit and few others.so if wanna be in hardware line be sure to grab it . pay is tooless . don worry ,work is awesome.

test normal wipro tech -- paper itself

interview :2 sets of panels -vlsi IT

SO U HAVE TO CHOOSE PANEL BEFORE TEST .

I got into vlsi division so here it is ----he asked me 3q on gates (universal- why?)FLIP FLOP, DIVIDE BY 3 COUNTER WITH 50% DUTY CYCLE TRANSISTORS - SWITCHING RELATED

analog & digi communication

VLSI (VERY IMPORTANT)

PROJECT(20 MINUTES) TOTAL -- 45 MIN INTERVIEW

HR IS JUST FORMAL -- 2 MINUTES FOR VLSI DIVISION

NO ONE GOT ELIMINATED IN HR OUT OF 14(VLSI) IN RVCE.

if u have good project u can draw him into it and waste 30 min in

interview . so do some project dont fake projects as 2 of my friends were fired in interview because of that.

IN PROJECTS HE WILL ASK U TO MODEL CIRCUIT MATHEMATICALLY, FIND PROB OF ERROR IN COMM PROJECTS . SO BE PREPARED.

ENJOY.....
